Four children in Year 6 were unable to access the KS2 tests, but when the results for the school are calculated these children are still included which will skew our overall results especially as we have a very small cohort of pupils, each child's results count for $5.9 \%$.

## Exam and assessment results

Percentage of pupils who've achieved the expected standard in reading, writing and maths

|  | Reading | Writing | Maths |
| :--- | :---: | :---: | :---: |
| National | 71 | 76 | 75 |
| School | 71 | 76 | 53 |
