Welcome

A warm welcome to the first PTFA newsletter of the year. We hope you all had a wonderful summer.

The 1st October saw our AGM take place where some members stepped down, and new ones were voted in. A huge THANK YOU for all your help and support to those who stepped down.

You can find minutes from the AGM on the school website.

Our new committee team is fully refreshed and raring to go with another fabulous year of fundraising, supporting the school, and organising activities. (Details of the new committee can be found above.)

Throughout the year we will keep you updated on what we are raising funds for and what we are enabling the school to do as a result of that fundraising.

Read on to find out what plans we already have in place, and how you can support us.

Upcoming events

Monday 21st October: The Great Autumnal Scavenger Hunt - £1 donation.

Friday 22nd November: Glow Party - Horsington Village Hall.

December: Christmas Film Night - School.

Ongoing fundraising

Second-hand uniform: We have a wide range of second-hand uniform available. Just ask one of the committee members if you would like a look.

Clothes bank: Don't forget to use the clothes bank at school to recycle your old clothes.

Our new shed

In our last newsletter of the year we let you know our plan to purchase a new storage shed for the PTFA - well we now have that shed!

Thank you to Steve and Dan for sorting out the base, and building the shed.

Having a shed means we can store all the large bulky items in an area that is easily accessible.

Ways to support

If you are free over the school lunchtime on the 21st October, we would love to have your help with the Great Autumnal Scavenger Hunt.

We will be asking for some support at the Glow Party, on the 22nd November, so please put the date in your diary and look out for the letter nearer the time.

If you have any ideas that you would like to share, then please come and speak to any of the committee.

Becoming greener

This year we are continuing our efforts to reduce the amount of single-use plastic we use.

If you have any old / unwanted cups and mugs then please bring them in to us. We would love to only use reusable mugs at our events.
