Week 10 Recycling	
Year 3/4	
Weekly Maths Tasks (aim to do one per day)	Weekly Reading Tasks (aim to do one per day)
<ul style="list-style-type: none"><li>• TT Rockstars</li><li>• Daily maths lessons with Gareth Metcalfe <a href="http://www.iseemaths.com/lessons34/">http://www.iseemaths.com/lessons34/</a></li><li>• Find 3 acute angles and 3 obtuse angles in your home.</li><li>• How many right angles can you find in your house and garden?</li><li>• Draw straight lines that measure exactly: 12 cm 8 cm, 5 mm 9 cm, 8 mm 14 cm and 2 mm</li></ul>	<ul style="list-style-type: none"><li>• Daily reading and reading to your child.</li><li>• Read packaging on different items in your home. What can be recycled that you didn't know about? Were you surprised? How do you know it can be recycled?</li><li>• Find a poem that rhymes and act it out with actions.</li><li>• Read a set of instructions and follow them.</li><li>• Can you think of a time where you have been in a similar situation to one of the characters from one of your favourite books?</li></ul>
Weekly Spelling Tasks (aim to do one per day)	Weekly Writing Tasks (aim to do one per day)
<ul style="list-style-type: none"><li>• Choose 5 new words from the Year 3 / 4 common exception words list. Put them into sentences and use a dictionary to check its meaning.</li><li>• Put them into alphabetical order</li><li>• Write the words backwards</li><li>• Use colouring pencils to rainbow write them.</li><li>• Proofread your writing from the day. You can use a dictionary to check the spelling of any words that you found challenging.</li></ul>	<ul style="list-style-type: none"><li>• You have caught somebody dropping a plastic water bottle onto the floor. Write a letter to them asking them to put it in the recycling bin. Explain why.</li><li>• You have a responsibility to help care for our planet. Watch <a href="https://www.youtube.com/watch?v=xLx4fVsYdTI">https://www.youtube.com/watch?v=xLx4fVsYdTI</a> and create a poster to advertise awareness of plastic pollution.</li><li>• Write to tell me what you love most about nature</li><li>• Research what happens to the items that you put into the recycling bin after it leaves your house.</li><li>• Reduce, reuse, recycle- What does it mean?</li></ul>

*“That they may have life, life in all its fullness.”*

--	--

Learning Projects to be done through the week	
<ul style="list-style-type: none"><li></li></ul>	<p>Sort these items into the correct recycling bins. Paper, Glass, Clothing, Compost, Cans, Plastic and Reusable</p> <p>Can you add any other items to your bins?</p>
<ul style="list-style-type: none"><li>Make something useful out of recycled items</li><li>Take on the role of a news reporter and create a news video about plastic pollution.</li><li>Hold a recycling contest with another member of your family. Who can recycle the most in a week?</li><li>Recycling experiments- <a href="https://www.sciencekids.co.nz/recycling.html">https://www.sciencekids.co.nz/recycling.html</a></li></ul>	
Additional Resources	
<ul style="list-style-type: none"><li>Purple Mash</li><li>Pobble 365</li><li><a href="http://www.fun-facts.org.uk/earth/recycling.htm">http://www.fun-facts.org.uk/earth/recycling.htm</a></li></ul>
