Consent for children to appear in photographs, video or sound recordings (and how they will be used)

We occasionally take photographs, videos or sound recordings of the children at our school. These images may be used in our school prospectus, in other printed publications that we produce, on our school website, on display boards in school etc. We may also make videos or webcam recordings for school plays, school to school conferences, examinations and coursework.

All staff are aware of their responsibilities and they will always take care with how the images and sound are collected and how they are stored.

It is important that we protect your child's interests, respect your wishes and comply with Data Protection law. Please read the Conditions of Use before answering the questions below and signing and dating this form. Please return the completed form (one for each child) to the school as soon as possible. We will not use a photo or video of your child without consent.

Please note that there are certain activities where we do not use consent as the basis for processing your child's data. These are described in our Privacy Notice www.horsingtonbwmat.org. We may also take photos of your child for identification purposes and for evidencing their educational development – such data will sit on their file and not be shared unless the law requires us to do so, or if you have given your specific consent.

Please note that you can withdraw your consent at any time. If you have any queries or wish to withdraw or review your consent, please contact the school.

Conditions of Use:

- This form is valid for your child's time at the school. Your consent will automatically expire after this time
- The school will not re-use any photographs or recordings of your child that are incompatible with the original purposes explained to you
- We will retain a small sample of photographs such as annual class photos that represent an historical record for the school
- We will not usually retain other photographs of your child after they cease to be a pupil at this school. However, photographs on our website; in our school prospectus and other publications; or those that are part of our archive of learning activities, could continue exist for a period of time after the child has left the school
