AGM HIGHLIGHTS

After all the up and downs the uncertainty and school remaining open the PTFA have still managed to help the school in many ways over the year.

We unfortunately made a overall loss of -£540.39 which in all for the last 18 months of lesser fundraising isn't a surprise to us however means fundraising this year is so much more important.

We have welcomed a new chairperson Terri, new secretary Karen and 5 new parents members which is fantastic.

The children now have a wide range of new playground equipment.

A Special thanks was given to Jo Wickstead for being a long standing member and all her commitment being a fantastic secretary.

Wishing her all the best being one of our new teachers here in Fire Class.

We could not do what we do without the continued support from our wonderful teachers, teaching assistants and the wonderfully helpful Mrs Ham! you are all valued and appreciated. for continuously supporting our efforts.

This year we are looking forward to new exciting events and fundraising opportunities for all to get involved and work together to make all our children's school experience a great one.
